A silhouette of a person standing on a dark, rocky outcrop. The person's right arm is raised high, with the fist clenched, pointing towards a large, bright sun. The sun is a large, glowing white circle with a yellow-orange halo, partially obscured by the person's arm. The sky is a deep orange, and the lower portion of the image is filled with textured, billowing clouds in shades of orange and yellow. The overall mood is one of triumph and achievement.
