Principios

Más con LeSS (Menos)

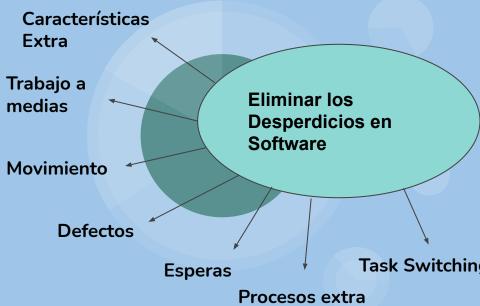

No complejizar el problema.....

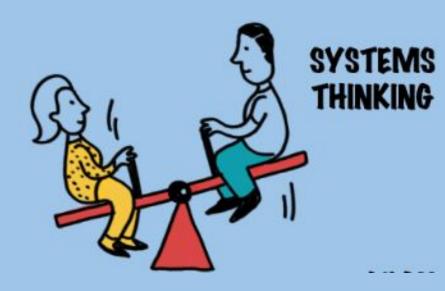

Principios

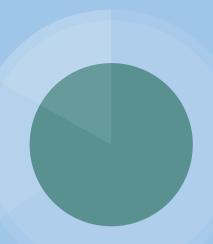

Pensamiento Lean

Pensamiento sistémico

Comprender e interiorizar

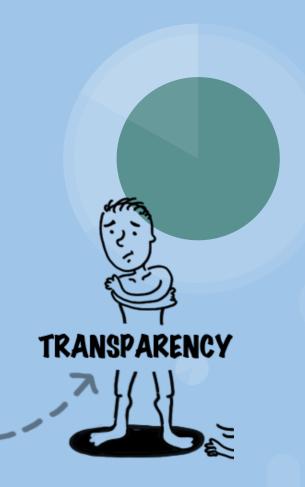

Proceso de Desarrollo Ágil

Control de procesos empíricos

Transparencia

Enfoque como un producto completo y único

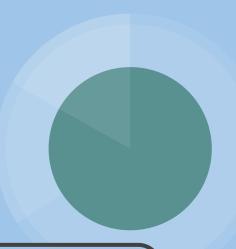

Único Producto

Poner al cliente en el centro de todo

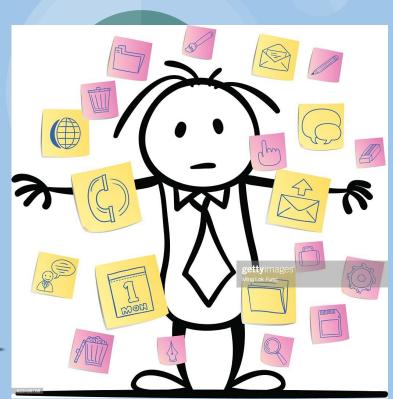

"Escalar y mantener el enfoque en el cliente"

Teoría de colas

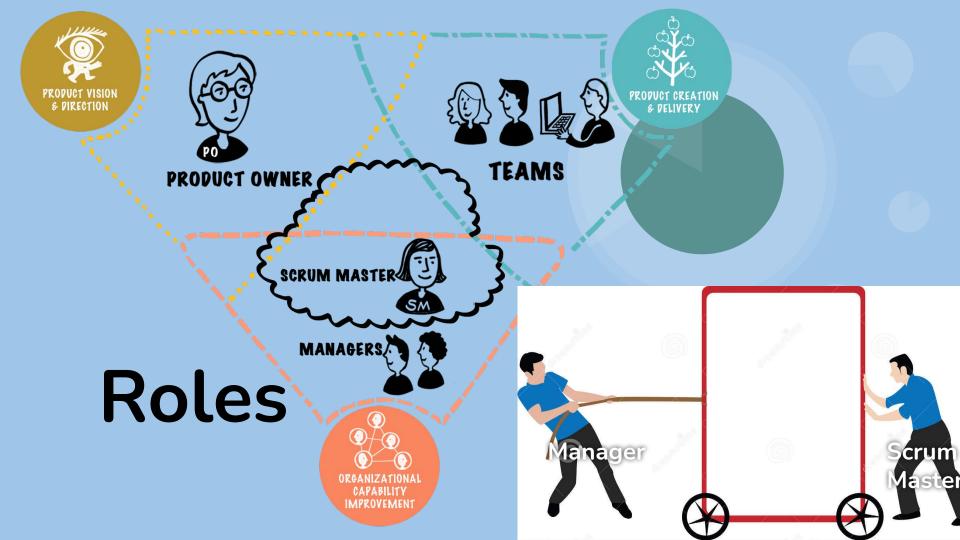

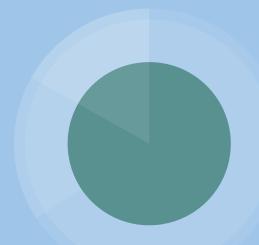

LeSS (Scrum a Larga Escala) es Scrum

Ceremonias y eventos

Sprint Planning
Parte 1 Parte 2

Daily

Dentro del equipo → Scrum

Entre equipos → **Observador**

Refinamiento del Product Backlog

Product Backlog

Sprint Review

Retrospectiva

Retrospectiva general

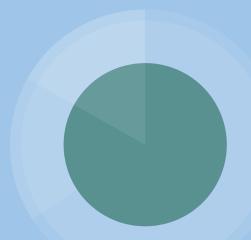

TEAM RETROSPECTIVE

OVERALL RETROSPECTIVE

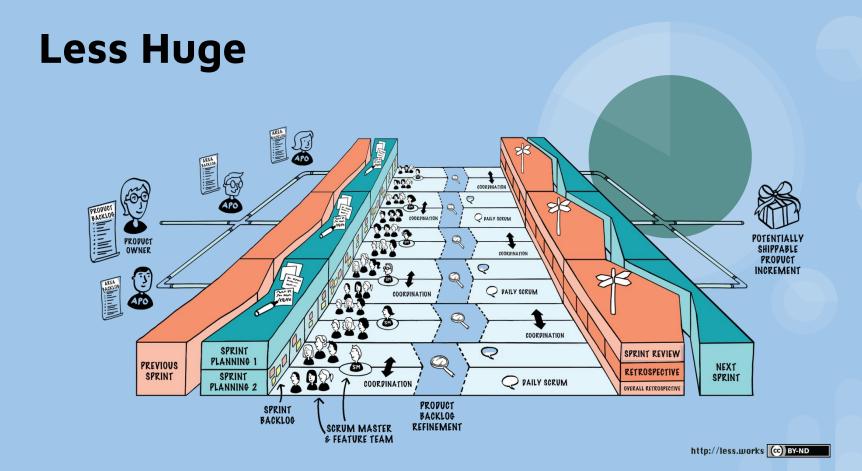

Less Huge

Concepto

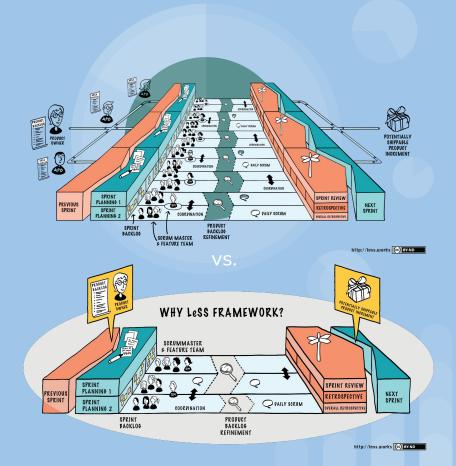

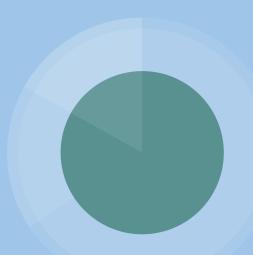

Less Huge vs. Less Basic

Diferencias y similitudes
